Hi Elissa -- I am in a cab on my way to the meeting -- which has now been moved to 12:30. I will call you as soon as I am done (probably around 1:30) to arrange pickup. What number should I call? Thanks, Susan

12:30 will be fine. Call Mr. Stine on his cellphone (b) (6) when you get close to the capital and he will meet you outside the Gov.'s office.
